Dear Partners in Christ,

"Ask and it will be given to you; seek and you will find"; knock and the door will be opened to you. For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened." (Matt. 7:7, 8) The imperatives used by the Greek in these verses indicate constant asking, seeking, and knocking. Persistent prayer is emphasized here, as we kneel before the foot of the Cross to present our petition to the Lord; believing that He will do it.

Since the inception of the ministry, we have been victimized by false land owners in Liberia. The first land we purchased in Monrovia for our church was a hoax--we lost our money. An other con artist fooled us and went away with \$400.

Since January this year, we have been asking the Lord to really provide a land trouble free for our church and school. This process has not been easy. Our team in Liberia have been working assiduously to find a land this year. Finally, we have found three acres of land and the Ministry of Lands and Mines has approved that the land is for the gentleman who claims to be the owner. We believe this confirmation to be genuine. There are five or more acres for sale. The owner wants us to purchase five or more acres at the rate of \$600 per lot. Our leaders in Liberia are asking the land owner to sell us three acres. We need \$7,200.00 plus \$700.00 (for survey and probation) to purchase the three acres for now. We may buy the remaining two or more acres if no body buys it before us. The land owner wanted two payments or paid in full. We are excited about this place; it is a beautiful place up the hill. This is the spot where we want to build mother church, primary and high school, and the training center for the entire ministry. Please pray for the Lord to open the windows of heaven for a miracle.

Again, United Nations started disarmament in Liberia yesterday. We have learned from our team in Liberia and BBC News that the UN is making progress; and that the rebels are willingly giving up their arms. To God be the glory.

We received a letter from one of our pastor friends in Liberia today, through Pastor Kennedy that 98% of the peace keepers in Liberia are Islam. It was discovered recently that they are putting together a strategic plan to Islamize Liberia by intermarriage and by offering money to the suffering people. As this may sound disgusting; I am 100% optimistic that any evil fashioned against Liberia will be utterly destroyed by the Mighty Hand of God. Please join us in prayer as usual. By the resurrection power of our Lord Jesus Christ all things are possible. Praise God for the victory has been won in Jesus' name.

Thank you for standing with us and for supporting us financially. It is your prayer, encouragement, and financial support that keeps the ministry going. It is your prayer and support that enable us to send money to Liberia every month to fee the 35 orphans and other projects. Again thank you very much and may the Lord bless you.

Until His Kingdom Come,
David & Annette Dann
